**Symposium on International
Automotive Technology**

SIAT 2009
21st - 23rd January 2009

SIAT - EXPO 2009
21st - 24th January 2009

ARAI Campus
Pune, INDIA

The **Symposium on International Automotive Technology (SIAT)** is a widely covered biennial international event organized by The Automotive Research Association of India (ARAI). SIAT serves as an important forum for sharing ideas and knowledge concerning promising areas of Automotive Engineering and Technology, wherein eminent experts and authors present Keynotes and Technical Papers in multiple sessions.

The next edition of SIAT i.e. **SIAT 2009** – 11th in the series, is being organized by ARAI in association with SAEINDIA, NATRIP and SAE International at its campus in Pune, India during 21- 23 January 2009.

The theme of SIAT 2009 is **Eco-Mobility**, emphasizing a need for cleaner, greener and eco-friendly mobility. Keynotes and Technical Papers on various areas such as Alternate Fuels, Alternate Power Plants, Automotive Electronics, Automotive Testing & Evaluation Techniques, CAE, Durability, Emissions, Engines, Harmonization of Standards, Materials, NVH, Safety, Vehicle Dynamics etc. will be presented during the symposium. Symposium Proceedings covering Keynotes and Technical Papers will be e-published along with a Reference Technical Bulletin containing technical articles, case studies and product information.

An exposition **SIAT - EXPO 2009** will be organized concurrently at ARAI from 21-24 January 2009, where a spectrum of worldwide companies will showcase Automotive Products, Equipments, Services and Technology Solutions. **SIAT - EXPO 2009** will be organizing a '**Technology Theater**' as a special event on 24th Jan 2009.

This announcement invites delegate registrations. Timely response will bring early bird incentives.
