

21 July 2010

Dear Madam/Sir

It gives us great pleasure to extend to you this invitation to **SAEINDIA EDU Meet 2010** to be held on **30th & 31st of August at Amrita Vishwa Vidyapeetham Coimbatore.**

Rapid Globalization today is not only presenting exciting and interesting opportunities to the engineering community in India but also challenges the Indian engineering education system to provide engineers for the global workforce. Today's Engineering programs are attempting to engage Industries & Research Organizations as part of the educational model.

We are delighted to personally invite you, along with your management team, to join us for a dialogue between Industry and Academia to address areas of mutual interest. The industry will be represented by leaders of Engineering and R&D from various Indian and Global companies such as *John Deere, ARAI, Cummins, PTC, M&M, JCB, Volvo, InfoTech, NAL, Boeing, GE, Eaton, HCL Technologies, Bosch, etc.*

Academia will be represented by eminent leaders from selected institutions of higher learning. Through this dialogue, we wish to outline the opportunities, define the challenges, and identify solutions, for building a better educated engineering workforce for the future.

During these two days, we will address different areas of common interest such as Training Opportunities, Industry-Academia partnerships, and dissemination & absorption of technical know-how; discuss plans envisioned by SAEINDIA, that will advantageously position you, and explore expanding opportunities to collaborate.

We have designed this meet to facilitate your fullest participation in the rapidly growing Indian Off Highway & Aerospace industry, and explore ways to achieve your academic and research objectives.

Hope to see you as part of Indian Off Highway & Aerospace ecosystem.

Sincerely,

Sudhakar Shenoy

Chairman

 SAEINDIA
Off-Highway

Dr. Bala Bharadvaj

Chairman
**SAEINDIA
Aerospace**

Who Should Attend

This seminar is designed for *Institutional Heads, Academic Administrators, Deans, Professors, Department Heads and Lecturers* engaged in teaching students in the following engineering disciplines:

- *Aeronautical*
- *Automobile*
- *Computer Science*
- *I.T*
- *Electrical*
- *Electronics and Communications*
- *Instrumentation*
- *Mechanical*

Kindly note

- Registration fees-Rs 3000/- net (inclusive of service tax)
- Lunch & Tea will be provided at the venue on both days
- Lodging, Boarding and travel expenses to be borne by the delegates
- Limited Seats
