9. FORMATION OF SAEINDIA COLLEGIATE CLUB AND ITS LIMITATIONS

A Student member is vital to the continued success of SAEINDIA. Student members are SAEINDIA's future. SAEINDIA exposes a student member to the many benefits derived from SAEINDIA's involvement. It can lead to a lasting and meaningful relationship between SAEINDIA and student members.

DEFINITIONS OF COLLEGIATE CLUB

SAEINDIA Collegiate Club - an official SAEINDIA Student Club having a minimum of 50 student members, with a senior faculty Adviser and additional faculty Adviser, elected student club officers constitute an SAEINDIA Collegiate Club. The club should have a formal program of projects and seminars, industrial visits and meetings. The name of the Collegiate Club precedes with "SAEINDIA" like SAEINDIA Collegiate Club of Amrita

Successful SAEINDIA Collegiate clubs provide many benefits to their members and are assets to the engineering Colleges where they are located. Collegiate clubs provide the students with the ability to contact individuals working in the engineering fields and in doing so, further the objectives of engineering.

ORGANIZING AN SAEINDIA COLLEGIATE CLUB

The purpose of an SAEINDIA Collegiate Club is to increase the benefits of SAEINDIA student membership through special activities that includes affiliation with your section. The students themselves, through the elected officers, administer Collegiate Club affairs.

Due to the limitations in the SAEINDIA's constitution and its non-profit status, it is also necessary that certain restrictions be placed on Clubs to promote only programs in the scientific and technical fields.

Therefore, **Clubs should not directly or indirectly:**

- Engage in activities to exert political pressure or influence.
- Participate in programs relating to the employer/employee relations or to problems dealing with the economic status of the student /engineer.
- Endorse or condemn any commercial product by indirect or direct action

10. SAEINDIA COLLEGIATE CLUB'S OFFICERS AND THEIR RESPONSIBILITIES

The measure of a Collegiate Club's success is the extent to which, Club officers and its committee understand and carry out their individual responsibilities and work together. If every person does their job well, all members of the Collegiate Club will benefit. The organization will enjoy high visibility among the campus groups and will stature in the eyes of the College's administration.

The Collegiate Club executive committee should hold regular meetings to discuss Club management, Club programs and matters of interest and concern to the general membership.

The duration of service and time of election of officers may be decided by the Collegiate Club on an individual basis, although the duration of the office held should not be less than one year, under normal circumstances. The typical Collegiate Club will have one set of officers for a single academic year. The student officers are usually elected before the end of the academic year by April end or May beginning prior to leaving campus for summer vacation.

Regardless of the time of change in officers, the Collegiate Club should follow an election structure that features nominations in the meeting prior to the election, followed by the posting of nominations and holding an election before the completion of the current year. Upon election of officers, the faculty Adviser, chair or secretary should inform SAEINDIA of the names of the new officers and their duration of service.

There are many ways to organize your Club. The success and performance of your Club will be based on the programs and activities you plan to implement.

Provided are the suggestions for the duties of Collegiate Club officers.

CHAIR PERSON

Requirements for the job are initiative, drive and ability to think ahead and plan for the group's continued improvement. It is the chairperson's responsibility to organize the other officers and committee people into a team and ensure that they all understand their assignments and carry them out.

The function of the chairperson is to organize the Club activities. This type of organization demands the chairperson be knowledgeable of all Club functions. The chairperson should plan to:

- Actively attend all Club functions and promote membership.
- Promote a respectable image of the SAEINDIA Club and the University.

- Maintain proper communication with officers, members, faculty Adviser, section and the engineering departments within the college.
- Run all general meetings and weekly meetings in parliamentary manner.
- Maintain an active organizational role in major projects.
- Arrange technical speakers in programs of interest.
- Distribute responsibilities equally among officers.
- Oversee the recording of the activities, both financial and documental.
- Review all outgoing communications.
- Call and preside over all executive committee and business meetings of the Club. Make certain that the meetings specified in the Collegiate Club constitution are held as required. As presiding officer at business and Executive Committee meetings, the chairperson should know the basic rules of parliamentary procedure.
- Prepare an agenda for each meeting.
- Have discussion pertinent to the subject under discussion.
- Call for committee reports.
- Make assignments when indicated.
- Follow up with all committees in order to ensure continuity and execution of their assignments. With the consent of the Executive Committee, remove an inactive committee chairperson or member and appoint a successor. The chairperson is an **ex-officio officer of all committees.**

VICE CHAIR PERSON

The vice chair may be called upon at any time to assume the responsibility of the chairperson. Thus, it is essential for the vice chair to work closely with the chairperson and to attend executive committee and Club meetings regularly.

Often, a vice chair is given other responsibilities. They may be asked to assume chairmanship of the Program committee or the Publicity Committee with the additional duties described under these two headings.

SECRETARY

The secretary is responsible for maintaining Club records. the duties include:

- Maintaining an accurate, up-to-date list of the Club members and advising SAEINDIA Headquarters of any changes in address immediately in order to avoid mailing problems.
- Issuing calls for Executive Committee meetings, as instructed by the chairperson.
- Preparing minutes of meetings and business sessions of Club meetings, sending copies to the chairperson and the SAEINDIA headquarters.

- Immediately informing headquarters of all the sections and committee chairmanship appointments as well as any changes that may occur in these offices.
- Delivering all records, card file, historical information, and other pertinent data to their successor at the end of their term of office.
- Maintaining a record of all Club correspondence.
- Assist in arranging tech speakers and programs each year.
- Contribute to the common goal of increasing student projects, activities and membership.
- Maintain a current and up-to-date file of all Club communications.
- Record general meeting minutes and read them at the following general meeting.
- Submit materials for Allied Signal Outstanding Collegiate Branch Award.

Like the other officer positions, the secretary represents the Club to the students, staff and individuals outside the university. It is their responsibility to represent SAEINDIA and their University appropriately.

TREASURER

The treasurer's assignment is administration of Club finances. Arrangements should be made with their predecessor for the transfer of Club funds and cooperation in preparing the Club budget for approval at the initial meetings of the Executive Committee and the Club. The budget must be realistic and assure that expenses do not exceed income. The treasurer should make a report on the organization's financial status at each Club meeting and cooperate with the chairperson in making certain that the budget is adhered to. The budget should be reviewed periodically and revised if there are indications that income or expense is other than anticipated.

It is the treasurer's responsibility to collect SAEINDIA student membership fee and Club dues. The student membership fee should be followed to the SAEINDIA headquarters without delay, together with a memo stating the amount enclosed and listing the names of the individuals whose enrollment fees are included. A copy of this memo should be given to the Club secretary for their records. A student membership application must be included for each student who was not previously a student member of SAEINDIA.

Compliance with the foregoing will enable SAEINDIA headquarters to record membership promptly, make certain that students receive the service to which they are entitled. The function of the treasurer is to keep accurate records of the Club's income and disbursements and be accountable for all Club finances. In addition, the treasurer may be called upon to:

- **Open a Bank Account in the name of SAEINDIA Collegiate Club of.....(mention College Name) and operated the account through both the Faculty Advisers.**
- Give a financial report at each general meeting.

The following are the options for additional officers, however, if there are no additional officers, these may be distributed among the officers with duties above.

PROGRAM CHAIR

It is the responsibility of this person to establish meeting programs of interest to all members of the club.

- Plan programs that satisfy the informational needs and interest areas of club.
- May include planning of projects and SAEINDIA Collegiate Design Competition activities.

RECEPTION CHAIR

The reception chair will contribute generally to the success of the club by extending a cordial welcome to new members and guests attending its meeting. Committee members should be on the lookout for new attendees. They should introduce themselves and they see that they meet other members of the club. Appoint several individuals to act as escorts for guests.

It is helpful for the members of the reception committee to wear distinguishing badges so new members and guests can easily identify them. The Reception Chair should work closely with the Membership Chair and introduce its representatives to guests indicating an interest in SAEINDIA and student membership. The Reception Chair often is called upon to help extend the courtesies of the club to visiting speakers and off-campus guests.

PUBLICITY CHAIR

The Publicity Chairperson should develop a working relationship with the editor of the school paper and learn the best procedure to follow in order to get club news published including:

- Election of officers and appointment of committee chairpersons.
- Announcement of forth coming meetings.
- Listing of meetings in calendar of events.
- A report of the meeting.
- Design projects.

It is important that the publicity chair cooperate with the program chair to obtain early information about each meeting in order to meet deadlines for meeting notices and release to media.

MEMBERSHIP CHAIR

An active and alert membership chair is the key to SAEINDIA's growth on the campus. A strong membership committee should be assembled as soon as possible following the chairperson's appointment. An active team that will promote SAEINDIA should be in action when students arrive on campus following summer vacation. Individual committee members should be assigned specific areas to cover and an SAEINDIA booth should be set up in a central area to display SAEINDIA publications and application forms for distribution. Students manning the booth should "talk SAEINDIA" and be prepared to answer questions about both SAEINDIA and club activities.

MEETINGS

Successful meetings are the result of careful planning and required the constructive cooperation of the club officers.

DETERMINING TOPICS OF INTEREST

The program chairperson is responsible for deciding what technical subjects are of greatest interest to the collegiate club members and for securing qualified speakers on these subjects. This can be determined by making an informal survey - asking individual members what topics they would like to have presented. The faculty Adviser can help by recalling meetings that have been outstanding successes during past administrations and by suggesting topics of current importance.

Based upon the committee's findings, the program chair should present general outline of the year's program to the club officers for consideration, together with definite proposals for meetings.

Programs should always be scheduled at least one month in advance and announced at the preceding meeting.

12. GUIDELINES FOR CONDUCTING EVENTS

The main purpose of SAEINDIA Collegiate club is to promote mobility engineering related activities in the college. There are a large variety of activities that can be done in the college. Some examples are

Seminars

Paper presentations

Design contests

Quiz contests

Lecture meetings & Industry Visits.

There are many more activities. Refer to websites of SAE collegiate clubs in US and other engineering colleges in India to get more ideas. Celebrations are integral part of student life. Hence there should be good amount of celebrations.

Some of the suggested occasions are:

- Club Inauguration
- Annual conclusion

- Student Engineer Day
- Technology Day
- Please look for more occasions.

The following aspects should always be considered:

- Fun
- Learning
- Alignment with the college curriculum
- Intertwine celebrations and activities to get the best of fun, learning and alignment with curriculum.

Involving other colleges and getting involved in other college activities are required. This fosters friendship and wider sharing of knowledge and experience.

Intercollegiate events provide a good opportunity to do the above. However, conducting such events require long-term planning and large resources in terms of money and man-hours. Hence number of such events should be limited and should be done in accordance with the guidelines set by the SAEINDIA local section. SAEINDIA local section has its own plans of intercollegiate events such as Student Convention and Design Contests. Considering many factors, the section has to decide as to which college should host these events. When a college is selected for hosting the event, other colleges extend full cooperation and support to the hosting college.

SAEINDIA conducts many programs not directly linked to the collegiate clubs. Depending on the nature of such events, SAEINDIA may request involvement of college students. Such requests are made only when it is clear that the students will be benefited.
