Symposium on International Automotive Technology (SIAT), widely acclaimed by global automotive fraternity, is a benchmark biennial international event, organized by ARAI, that serves as a forum for exchange of ideas & brainstorming for the automotive industry, with participation of eminent experts worldwide in various automotive arenas.

I am delighted to announce that 17th edition of SIAT, viz. SIAT 2021, being organized by ARAI, in association with SAEINDIA and SAE International (USA), from 29th September - 1st October 2021 virtually.

Hitherto, all earlier SIAT’s were held physically in Pune. However, in light of the ongoing disruption caused by the outbreak of Coronavirus (COVID-19), the SIAT 2021 would now be held through digital platform.

Theme of SIAT 2021 is "Redefining Mobility for the Future". Eminent experts world over will present over 200 technical papers, including 40 keynotes, on various subjects in SIAT 2021. Apart from Symposium Proceedings, Technical Reference Bulletin, containing technical articles, case studies and product information will be published digitally. SIAT EXPO 2021, being concurrently organized, would offer an appropriate platform for spectrum of worldwide companies to showcase their products / technologies / innovations / services through various stalls. We have received excellent response from the automotive fraternity in respect of technical papers and keynotes.

I have pleasure in bringing out this Third Announcement of SIAT 2021, inviting professionals, engineers and academicians to present their work in the field of automotive technology. Advisory Committee looks forward to support of entire automotive community, as in the past. I sincerely thank you for your continued patronage.
